

THE 55th DUBLIN SCULLING LADDER

2020-2021

The opening Time Trial for the 55th Dublin Sculling Ladder will take place on Saturday, 10th October 2020. This year it will be raced in ten separate sections, running from 10.00 am to 5.35 pm.

Due to current restrictions, each section will be limited to 15 Scullers. Entries will only be taken online, and the booking app will go live on Wednesday 7th October, and will close at 1pm on Friday 9th October. The link will be uploaded to the ladder website www.dublinscullingladder.ie

Unfortunately, entries from clubs outside Dublin will not be accepted this year.

Competitors and Marshalls should comply with club guidelines for Covid 19 and maintain social distancing as required.

Scullers should book a place in a specific section and they will not be permitted to compete in any other section. Due to limited spaces Scullers must not book in more than one section.

Scullers who anticipate taking more than 9 minutes to complete the course should be entered in one of the following sections: 13.00, 14.00, 15.00, 17.35

We would ask other Scullers not to enter these 4 sections if at all possible as these are the only sections which allow sufficient time for the slowest Scullers to return to the boathouses before the next section begins.

Section start times:

10.00 10.45 11.30 12.15 13.00 14.00 15.00 16.00 16.45 17.35

Scullers will be allocated bow numbers and should be below the start line 2 minutes before the section start time.

Scullers should be reminded that when they have finished racing they must not impede those who started behind them and are still on the course. Each club is responsible for the safety of their own Scullers, who should follow the advice of safety marshalls at all times.

This year has been challenging for clubs on many levels, and your co-operation is much appreciated as we attempt to run a safe and enjoyable event for as many athletes as possible.

The Ladder will remain open to Challenge Races until the last Saturday in March 2021
